No Proposal may be modified subsequent to the deadline for submission of proposals.

No Proposal may be withdrawn after the deadline for submission of proposals and the expiration of the period of proposal validity specified by the Bidder on the Proposal Submission Form.

## **E. Opening and Evaluation of Proposals**

### **17. Opening of proposals**

The procuring entity will open the Proposals in the presence of a Committee formed by the Regional Representative -WWF MWIOP .

### **18. Clarification of proposals**

To assist in the examination, evaluation and comparison of Proposals, the Purchaser may at its discretion, ask the Bidder for clarification of its Proposal. The request for clarification and the response shall be in writing and no change in price or substance of the Proposal shall be sought, offered or permitted.

### **19. Preliminary examination**

The Purchaser will examine the Proposals to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed, and whether the Proposals are generally in order.

Arithmetical errors will be rectified on the following basis: If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If the Bidder does not accept the correction of errors, its Proposal will be rejected. If there is a discrepancy between words and figures the amount in words will prevail.

Prior to the detailed evaluation, the Purchaser will determine the substantial responsiveness of each Proposal to the Request for Proposals (RFP). For purposes of these Clauses, a substantially responsive Proposal is one which conforms to all the terms and conditions of the RFP without material deviations. The Purchaser's determination of a Proposal's responsiveness is based on the contents of the Proposal itself without recourse to extrinsic evidence.

A Proposal determined as not substantially responsive will be rejected by the Purchaser and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

**20. Evaluation and comparison of proposals**

A two-stage procedure is utilized in evaluating the proposals, with evaluation of the technical proposal being completed prior to any price proposal being opened and compared. The price proposal of the Proposals will be opened only for submissions that passed the minimum technical score of 70% of the obtainable score of 100 points in the evaluation of the technical proposals.

The technical proposal is evaluated on the basis of its responsiveness to the Terms of Reference (TOR) and in accordance with the following technical evaluation criteria.

### **5. SUB-CONTRACTING**

In the event the Contractor requires the services of sub-contractors, the Contractor shall obtain the prior written approval and clearance of WWF MWIOPO for all sub-contractors. The approval of WWF MWIOPO of a sub-contractor shall not relieve the Contractor of any of its obligations under this Contract. The terms of any sub-contract shall be subject to and conform to the provisions of this Contract.

### **6. OFFICIALS NOT TO BENEFIT**

The Contractor warrants that no official of WWF MWIOPO has received or will be offered by the Contractor any direct or indirect benefit arising from this Contract or the award thereof. The Contractor agrees that breach of this provision is a breach of an essential term of this Contract.

### **7. INDEMNIFICATION**

The Contractor shall indemnify, hold and save harmless, and defend, at its own expense, WWF MWIOPO ,its officials, agents, servants and employees from and against all suits, claims, demands, and liability of any nature or kind, including their costs and expenses, arising out of acts or omissions of the Contractor, or the Contractor's employees, officers, agents or sub-contractors, in the performance of this Contract. This provision shall extend, inter alia, to claims and liability in the nature of workmen's compensation, products liability and liability arising out of the use of patented inventions or devices, copyrighted material or

other intellectual property by the Contractor, its employees, officers, agents, servants or sub-contractors. The obligations under this Article do not lapse upon termination of this Contract.

#### **8. INSURANCE AND LIABILITIES TO THIRD PARTIES**

The Contractor shall provide and thereafter maintain insurance against all risks in respect of its property and any equipment used for the execution of this Contract.

The Contractor shall provide and thereafter maintain all appropriate workmen's compensation insurance, or its equivalent, with respect to its employees to cover claims for personal injury or death in connection with this Contract.

The Contractor shall also provide and thereafter maintain liability insurance in an adequate amount to cover third party claims for death or bodily injury, or loss of or damage to property, arising from or in connection with the provision of services under this Contract or the operation of any vehicles, boats, airplanes or other equipment owned or leased by the Contractor or its agents, servants, employees or sub-contractors performing work or services in connection with this Contract.

#### **9. COPYRIGHT, PATENTS AND OTHER PROPRIETARY RIGHTS**

WWF MWIOPO shall be entitled to all intellectual property and other proprietary rights including but not limited to patents, copyrights, and trademarks, with regard to products, or documents and other materials which bear a direct relation to or are produced or prepared or collected in consequence of or in the course of the execution of this Contract. At the WWF MWIOPO's request, the Contractor shall take all necessary steps, execute all necessary documents and generally assist in securing such proprietary rights and transferring them to WWF MWIOPO in compliance with the requirements of the applicable law.

#### **10. USE OF NAME, EMBLEM OR OFFICIAL SEAL OF WWF MWIOPO**

The Contractor shall not advertise or otherwise make public the fact that it is a Contractor with WWF nor shall the Contractor, in any manner whatsoever use the name, emblem or official seal of WWF MWIOPO , or any abbreviation of the name of WWF-MWIOPO with its business or otherwise.

#### **11. CONFIDENTIAL NATURE OF DOCUMENTS AND INFORMATION**

All maps, drawings, photographs, mosaics, plans, reports, recommendations, estimates, documents and all other data compiled by or received by the Contractor under this Contract shall be the property of WWF MWIOPO, shall be treated as confidential and shall be delivered only to WWF MWIOPO authorized officials on completion of work under this Contract.

The Contractor may not communicate at any time to any other person, Government or authority external to WWF MWIOPO, any information known to it by reason of its association with WWF MWIOPO which has not been made public except with the authorization of WWF MWIOPO ; nor shall the Contractor at any time use such information to private advantage. These obligations do not lapse upon termination of this Contract.

## **12. FORCE MAJEURE; OTHER CHANGES IN CONDITIONS**

Force majeure, as used in this Article, means war (whether declared or not), invasion, revolution, insurrection, or other acts of a similar nature or force which are beyond the control of the Parties.

In the event of and as soon as possible after the occurrence of any cause constituting force majeure, the Contractor shall give notice and full particulars in writing to WWF MWIOPO, of such occurrence or change if the Contractor is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under this Contract. The Contractor shall also notify WWF MWIOPO of any other changes in conditions or the occurrence of any event which interferes or threatens to interfere with its performance of this Contract. The notice shall include steps proposed by the Contractor to be taken including any reasonable alternative means for performance that is not prevented by force majeure. On receipt of the notice required under this Article, WWF MWIOPO shall take such action as, in its sole discretion; it considers being appropriate or necessary in the circumstances, including the granting to the Contractor of a reasonable extension of time in which to perform its obligations under this Contract.

If the Contractor is rendered permanently unable, wholly, or in part, by reason of force majeure to perform its obligations and meet its responsibilities under this Contract, WWF MWIOPO shall have the right to suspend or terminate this Contract on the same terms and conditions as are provided for in Article 15, "Termination", except that the period of notice shall be seven (7) days instead of thirty (30) days.

## **13. TERMINATION**

Either party may terminate this Contract for cause, in whole or in part, upon thirty days notice, in writing, to the other party. The initiation of arbitral proceedings in accordance with Article 16 "Settlement of Disputes" below shall not be deemed a termination of this Contract.

WWF MWIOPO reserves the right to terminate without cause this Contract at any time upon 10 days prior written notice to the Contractor, in which case WWF MWIOPO shall reimburse the Contractor for all reasonable costs incurred by the Contractor prior to receipt of the notice of termination.

In the event of any termination by WWF MWIOPO under this Article, no payment shall be due from WWF MWIOPO to the Contractor except for work and services satisfactorily performed in conformity with the express terms of this Contract. The Contractor shall take immediate steps to terminate the work and services in a prompt and orderly manner and to minimize losses and further expenditures.

Should the Contractor be adjudged bankrupt, or be liquidated or become insolvent, or should the Contractor make an assignment for the benefit of its creditors, or should a Receiver be appointed on account of the insolvency of the Contractor, WWF MWIOPO may, without prejudice to any other right or remedy it may have, terminate this Contract forthwith. The

Contractor shall immediately inform WWF MWIOPO of the occurrence of any of the above events.

#### **14. SETTLEMENT OF DISPUTES**

##### **Amicable Settlement**

The Parties shall use their best efforts to settle amicably any dispute, controversy or claim arising out of, or relating to this Contract or the breach, termination or invalidity thereof.

##### **Arbitration**

Unless, any such dispute, controversy or claim between the Parties arising out of or relating to this Contract or the breach, termination or invalidity thereof is settled amicably under the preceding paragraph of this Article within sixty (60) days after receipt by one Party of the other Party's request for such amicable settlement, such dispute, controversy or claim shall be referred by either Party.

The arbitral tribunal shall have no authority to award punitive damages. The Parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such controversy, claim or dispute.

#### **15. TAX**

The Contractor shall be liable for all taxes arising out of payments made to you pursuant to the Contract.

#### **16. TRAVEL**

All air travel will be paid at the economy rate only, unless the Project Supervisor provides written consent to the contrary. Train travel will be paid at the first class rate where this cost does not exceed the cost of an economy air ticket for the same journey.

#### **17. OBSERVANCE OF THE LAW**

The Contractor shall comply with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the terms of this Contract.

#### **18. AUTHORITY TO MODIFY**

No modification or change in this Contract, no waiver of any of its provisions or any additional contractual relationship of any kind with the Contractor shall be valid and enforceable against WWF unless provided by an amendment to this Contract signed by the authorized official of WWF.

### **Annex III - TERMS OF REFERENCE**

#### **FINANCIAL AUDIT OF MG0944 - ENHANCING CIVIL SOCIETY CAPACITY IN FOREST MONITORING AND LAW ENFORCEMENT, WHILE CREATING SUSTAINABLE LIVELIHOODS THROUGH ENTREPRENEURSHIP IN TWO OF MADAGASCAR'S LARGEST FOREST BLOCKS" PROJECT**

---

##### **1. Background**

The Regional Representation of WWF in Madagascar and the West Indian Ocean has received a funding for a total amount of NOK 11,990,591 from NORAD as part of its project " ENHANCING CIVIL SOCIETY CAPACITY IN FOREST MONITORING AND LAW ENFORCEMENT, WHILE CREATING SUSTAINABLE LIVELIHOODS THROUGH ENTREPRENEURSHIP IN TWO OF MADAGASCAR'S LARGEST FOREST BLOCKS – MG0944" for the period from June 1, 2010 to April 30, 2014.

##### **2. Brief description and organization of the project**

The main purpose of the project is to combine a cost-effective, rapid and innovative forest monitoring and law enforcement systems with a package of locally adapted interventions incentivising communities to maintain and enhance carbon stocks in the two most important biodiversity hotspots and forest blocks in Madagascar, the Northeast Moist Forest Triangle and the Southwest Spiny Forest Complex.

Component I: The objective of component I is to put into place a cost-effective, rapid and innovative forest and carbon monitoring systems that acts as an early warning system for deforestation, alerting all those concerned in law enforcement, clearly documenting all deforestation, with the overall target to reduce deforestation in the region and also to quantify avoided deforestation.

Component II: The objective of component II is to reduce illegal logging and deforestation in the Northeast Moist Forest Triangle through a package of locally adapted interventions incentivising communities to maintain and enhance carbon stocks. This package will include rural development support with communities in return for conservation contracts and commitment.

Component III: The objective of component III is to reduce illegal charcoal production and deforestation in the Southwest Spiny forest Complex through Protected Area Management and providing Alternatives. These alternatives include rural development support with communities in return for conservation contracts and commitment.

The project is implemented by WWF office in Antananarivo, Tulear and Andapa. All documents supporting all transactions are available in Antananarivo, Tulear and Andapa. The WWF office in Antananarivo is responsible for the consolidation of accounts, the preparation and submission of financial reports to NORAD.

The key staffs involved in the project are:

- Simon Rafanomezantsoa, the Terrestrial Programme Coordinator, in charge of the technical supervision of the entire project and especially of component 1 and 3.
- Fara Lala Razafy, the Ala Atsinanana Eco-Regional Leader, in charge of technical supervision of component 2.
- Tahiry Rakotomamonjy, who manages the financial aspects of the project for component 1 and 3.
- Mahery Andriamaharo, who manages the financial aspects of the project for component 2.

### 3. Scope of work

The financial audit will seek to verify the regularity and sincerity of accounts and financial reports submitted by WWF-Madagascar. The audit should be conducted in accordance with International Standards on Auditing. The financial audit will cover the period from **June 1, 2012 to May 31, 2014**. The audit firm will define the appropriate audit techniques to assert its opinion on the accounts and financial reports and to give its recommendations for an improvement of the WWF Madagascar's internal control system and project management.

As WWF-Madagascar distributes grants to a partner organization, the audit firm may require performing an audit of the recipient organization.

There are approximately 3,250 transactions in the income and expenditures accounts.

At the end of the consultancy work, the auditors will prepare an audit report in English. In addition, the audit firm will provide a letter specifying major observations and recommendations on the internal control system and the project management.

### **Implementation schedule:**

The expected schedule is as follows:

- **April 26, 2014 and April 30, 2014**: Publication of the call for tenders
- **May 09, 2014**: Deadline for the receipt of tenders
- **May 13, 2014**: Briefing meeting and audit starting date
- **May 23, 2014**: audit ending date
- **May 28, 2014**: Submission to WWF of the draft report, in English and for comments
- **May 30, 2014** at 12.00 a.m. at the latest: Submission of the final reports in 5 hard copies and 1 pdf file (electronic version). The reports will be written in English.

## Annex V – FINANCIAL PROPOSAL

The Contractor is asked to prepare the **Financial proposal** as a separate envelope from the rest of the RFP response as indicated in Section D paragraph 14 (b) of the Instruction to Bidders.

**The financial proposal defining separately the fees from the refundable expenses, as well as identifying the VAT included and excluded amounts.**

In addition to the hard copy, if possible please also provide the information electronically (soft copy).
